

Bollnas Community Public Utility District

Ordinance No. 36

Amends Ordinance 30

Ordinance No. 30 is hereby amended as follows:

Section III. E shall be added to Ordinance 30 to set forth the criteria under which the District may elect to financially participate in proposed projects to maintain, repair or improve the public rights-of-way on the Gridded Mesa. Section III. E. shall read as follows:

III. Maintenance and repair.

.
. .
.

E. The District, in the sole discretion of the Board of Directors may finance, in whole or in part, the maintenance, repair or alteration of a public right of way based upon, but not limited to, the following factors. No single factor is controlling.

1. There is financial participation by other(s).
2. The District's infrastructure would benefit.
3. Emergency vehicle access would be improved.
4. Inadequate drainage is:
 - a. degrading the performance of nearby septic systems;
 - b. causing erosion of the roadway; or
 - c. [reserved]
5. The proposed maintenance, repair or alteration is on a Neighborhood Access Road per the 1995 Mesa Traffic Plan.

Ordinance 30 shall be revised to incorporate Section III.E as set forth above and the revised Ordinance 30 shall take effect thirty days after adoption, following public posting and publication of the revised Ordinance 30 in a newspaper of general circulation not less than 7 days before the effective date.
